

Example error: Images in MS Word

No text alternative

There is no alt text for this image.

	A11y automated checker	MS Accessibility checker
Result	Yes	No

AI-generated text alternative

MS Word guessed the text alternative as “A black background with white text. AI-generated content may be incorrect.”

	A11y automated checker	MS Accessibility checker
Result	No	Yes

Manual check required.

Should be decorative

This decorative non-text content should be marked decorative, but it has a text alternative instead.

	A11y automated checker	MS Accessibility checker
Result	No	No

Manual check required.

Poorly constructed text alternative: vague

The text alternative here just reads “quiz averages.”

	A11y automated checker	MS Accessibility checker
Result	No	No

Manual check required.

Poorly constructed text alternative: inaccurate

The text alternative here is just the file name “RSUNJ_H_RED_BLACK_RGB.png.”
